Commercial General Liability

This policy provides coverage for bodily injury or property damage suffered by a third party caused by the negligence of a member of the CCGA. Negligence is often defined as the omission to do what a reasonable person (with similar training and background) would do – or the “doing” of something which a prudent and reasonable person would not do. The basis for the policy is bodily injury and/or property damage to a third party, and also includes premises liability for exposures such as trip & falls.

The coverage is subject to a limit of \$5,000,000 for any one event and the main exclusion would be loss arising out of the use of watercraft, as this would be covered under the Protection and Indemnity policy.

Directors & Officers Liability

Directors and Officers Liability insurance protects the Directors and Officers against errors and omissions in the management of the CCGA.

Directors & Officers Liability Insurance insures against what are known as Wrongful Acts. Wrongful acts are generally errors, misstatements or misleading statements, acts or omissions, neglect or breach of duty, and other matters relating to the position of director or officer. The Insurance policy is intended to protect the financial assets of the individual directors and officers if not indemnified and, subsequent to indemnification, the financial assets of the corporation.

Claims-Made Coverage

Please note the **Directors' & Officer's Liability** is provided by the Insurer under a "**Claims-Made**" form, which may have certain limitations or requirements depending upon your particular circumstances leading up to the current renewal period.

This means that they only cover claims made against you during the policy period and reported to the insurance company during the policy period (or extended reporting period). Failure to comply with the claims reporting provisions of the policy will result in the Insurer denying coverage for the claim under your policy. Claims, resulting from incidents reported to the insurer during the policy period, will be considered reported during the policy period.
